

# ADVENTURES of GOD

Excuse me sir, do you have a moment to talk about Jesus Christ?

What did he do this time?

Oh nothing, we just wanted to tell you the truth about Him.

The truth?

Yes! For instance, did you know he's a shapeshifting alien from outer space?

He was known to use mind control  
in order to gain a massive following

In which he would feed off his  
followers! To think that the blood of  
Christ was our blood the entire time!

Fellas, I'm pretty sure everything you said is just some conspiracy humbug

Then riddle me this, sir. Would a conspiracy have its own pamphlet?

Hey dad, did you leave

the toilet seat up agai-

WHO ARE YOU!!!??

Made by Corey & Teo

But dad! I died for you on the cross!

Oh right, I forgot  
about that.
